

ESCOLA SÃO PAULO
ESPAÇO DE CULTURA CONTEMPORÂNEA

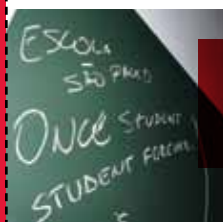

Education through art and culture

Escola São Paulo is an innovative project aiming at educational improvement and development through art and culture.

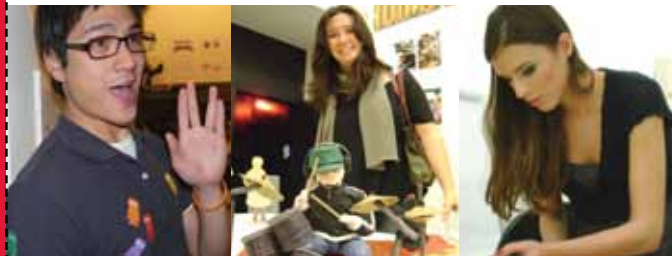

Escola Sao Paulo is a study space for research, knowledge, production and reflection on culture and art. The school offers educational courses and activities, exhibitions, lectures and free access to books, films and CD's libraries.

The school's mission is "to offer free courses on contemporary art with high quality and content for professional and personal improvement".

The **Café São Paulo** has become a meeting point for students and visitors at **Escola São Paulo**.
